Message from the Board – Joe Watts, President

Adapted from Brene Brown- Washing Machines

"Humans are social creatures, yet we are isolating ourselves more and more, which is leading to feelings of loneliness and depression. Brene Brown, a well-known social scientist and research professor at the University of Houston, has spent the last two decades studying vulnerability, shame, courage and empathy."

" Brene tells a story about a **village** where the women would go down to the river to wash their clothes together. Whilst washing they would chat, share stories, learn from each other, connect over similar experiences and problems. The village then introduced washing machines and, not so long after, there was a breakout of depression. This was due to the lack of social interaction, doing things together and losing their sense of community."

"Therefore, let's start reaching out. In those moments when we are feeling stressed, lonely or blue, let's not hide away. Let's connect with our friends regularly, consistently and even more so when we need support. We don't need to be at our best, our friends are totally fine with us being imperfect. We are all imperfect and we deserve to be loved and feel like we belong."

CSPOA is our **village!**

There are many opportunities in our community to gather, share and connect.

Enjoy the amenities, activities and our social interaction!

THANK YOU TO OUR BULLETIN EDITORS LINDA RUGG and MERRILEE BURNS

Recreation Facilities – Kelly Wilson

SUMMERTIME BLUES

As summer has begun to wind down, we see parents and kids anxious about going back to school, picking out new clothes and supplies for the upcoming year ahead, and grandparents cleaning up the remnants left from grandchildren visiting. But, as always, we are sad to see this time of year arrive as it leads us into the "Summertime Blues."

The pool this year has been a great place to have families come and enjoy each other's company, escape the awful heat that summer brings, meeting new people either moving from other areas or just visiting with family and friends, and the place that has become the busiest part of the Carolina Shores community.

Sadly, as summer begins to wind down, we are very fortunate living here to have the Carolina warmth stay with us longer in Carolina Shores. With other pools closing for the end of summer this lets us keep our summertime going a little longer than other areas. Beginning the month of September and starting the day after Labor Day we will be reducing the pool hours of operation. From September 7 through the end of the month the new hours for open swim will be 10:00 a.m. to 5:00 p.m. daily, all weather permitting.

Morning water aerobics have been going great and everyone wants to keep the daily workouts available into the later months. Water aerobics are Monday through Saturday mornings beginning at 9:00 a.m. and last about an hour.

We invite all members and their guests to please keep enjoying the pool as the summer begins to wind down, and hope that everyone has enjoyed their visit to the pool this summer.

NEW HOURS STARTING SEPTEMBER 7

LAP SWIMMING 8:00 TO 9:00 a.m.

WATER AEROBICS 9:00 TO 10:00 a.m.

OPEN SWIMMING 10:00 a.m. TO 5:00 p.m.

ACC Corner – Jack Csernecky, ACC Liaison/CSPOA Vice President

The purpose of the Architectural Control Committee (ACC) is to enforce the rules and regulations governing the Owners use and occupation of Lots according to the Declaration of Restrictions (DOR) for the Carolina Shores Development.

Due to the conscientious actions of the volunteer ACC members over the years, we all are able to reside in a neat, green, open, and friendly community. The actions taken by the ACC from the past until now have established a highly desirable and valuable community for us all.

The ACC is staffed by a part-time paid chairman and volunteer residents who spend their time helping promote the rules and regulations applied equally to all. Right now, the ACC needs volunteers for the committee. This is due to the loss of volunteers who have left because of medical issues.

We have all benefited by the past actions of these volunteers. **CAN YOU** spare two (2) to four (4) hours every other week to HELP? If enough individuals volunteer that could be two to four hours one week a month.

You will not be a law enforcement individual who patrols the community streets looking for infractions. The committee reviews requests for exterior changes for painting, roof replacements, fences, and building/Lot alterations, etc.

We need your time and talent to keep the Carolina Shores Development the picturesque and appealing community that IT IS.

Recreation Committee – Sue O'Reilly

Garden Club – Mary Conover

The Carolina Shores Garden Club is open to novice gardeners as well as those who have achieved the Master Gardener status. It's a great way to learn all about what grows in this climate, how to maintain our particular trees and plants, as well as expanding our understanding of what impacts them. It's also an excellent way to make new friends with like-minded neighbors!

Our first meeting in the fall will be on September 8, and while we normally begin at 1:00 p.m., this first meeting will begin at 12:30 due to our speaker's schedule. Our presenter will be Carol Kendall, and her topic is Coral Bells (Heuchera).

If you have any questions, email me at limeylady70@gmail.com or call me at 910-575-7804.

Book Discussion Group – Susie Riggs

Our book selection for August was *His Only Wife* by Peace Adzo Medie. This warm and often humorous story, set in modern-day Ghana, introduced us to a young woman named Afi Tekple, who has been convinced by her mother to marry a wealthy man she does not know. Afi's struggle for independence in an arranged marriage takes her on an empowering journey of self-discovery and personal growth. All members present agreed that it was an enlightening and enjoyable read!

Our next meeting will be held on Friday, September 17, at 10:00 a.m. in the POA library. We will be discussing *Courting Greta* by Ramsey Hootman, as well as choosing our reading selections for the coming year. Each member is asked to submit the title of one book to be included on our 2021-2022 reading list. Any members who are unable to attend the meeting may send their recommendation to Pat McKay.

Care Team – Flo Pflaster

We have many volunteers on the Care Team, ready and willing to help our neighbors with temporary assistance. I will do whatever I can to find someone to help - all you have to do is call or email me!

For those of you who have volunteered to help others by being on the Care Team, here is how you make sure you are getting notifications when I post a request:

How to control all email notification settings (including groups)

1. Log in to nextdoor.com and click your profile picture in the top right corner.
2. Select **Settings** from the drop-down.
3. Select **Notifications** from the left menu:
4. Next to **Email Notifications**, select Edit
5. If you set **Updates from your local area** to **None** then you will not receive email notifications from your groups.
6. If you set it to **Only top posts** or **All** you will get an email for every new group post. (choose this one)

Note: Adjusting these settings will affect all your email notifications, not just for groups.

If you want to be a part of this team or if you no longer want to be on the list, please let me know. There are not many calls for help, but people are so very grateful for the assistance they do get! It really does not take much to volunteer. Help with a small chore at home, an occasional ride, a temporary need for dog walking, etc. is usually what is needed. So, neighbors, continue to let me know if you need help and I will do my best to find someone.

Thank you,
