

Carolina Shores
GARDEN CLUB

September 2015

Carolina Shores Garden Club Meeting

- > What: First meeting of the year
- > When: September 9th at 1:00 PM
- > Where: POA
- > Why: Please come and enjoy the wine and cheese as you meet and greet old and new friends.
- > Bring your ideas / suggestions to discuss ways to make our garden club in its 38th year all it can be.

Sally Nolan – President

Jeanne Paff - Vice-President

NEW MEMBERS ARE WELCOME!

GARDING TIPS

Planting

- September is a good time to set out landscape plants. Shop early to find the nicest shrubs.
- When planting containerized plants, try to be certain to disturb or “open up” the plants’ root ball.
- Set out new chrysanthemum plants this month.
- Plant pansies to add color to your yard in the autumn, winter and spring months.
- Groundcovers will become well established if planted now.
- Transplant any evergreen trees or shrubs that need moving this month.
- Plant the following fall vegetables in September: mustard, onion, radish and turnip.

Pruning

- Do NOT prune shrubs in September or October.
- Remove “weed” or unnecessary trees from your landscape.
- Rootprune any trees or plants you plan to move next spring.

Propagation

- Spring flowering bulbs can be divided and replanted this month. Daffodils will be the bulbs that most likely need this consideration.
- Divide peonies.
