

SEPTEMBER 2016 NEWSLETTER

The first meeting of the Garden Club held on Sept. 14th was a huge success! Approximately 30 ladies were in attendance, which included several guests and new members.

Our new Executive Board consists of Jeanne Paff, President; Jane Boyle, Vice President; Teddy Altreuter, Secretary; and Kay Craig, Treasurer. We have in place our Membership Chairs, Linda Rugg and Bobbie Blatnica. We also have three co-chairs for Programs, Garen Waters, Kay Forbes and Cheryl Brush. The various committees were explained during the meeting and sign-up sheets made available. Many have already volunteered to serve on one or more committees, and we thank you all for responding so quickly. We hope to complete our sign-ups at our October meeting, so if you have not already signed up, please consider how you would like to serve. We can only be a successful Garden Club if we all do our share and work together. Keep in mind that membership in the Garden Club is open not only to members of the CSPOA, but also to any resident or property owner in the Town of Carolina Shores.

COMING UP IN OCTOBER
